

## Sly Fox Bar & Grill

### Open Bar Contract

Thank you again for choosing Sly Fox as your event venue. To make sure we provide the best customer service and experience for you and your guests, we want to make sure we have everything set up just the way you want.

When choosing open bar, all beers/ciders-draft and can are available for your event. You can choose from three different wines ranging from white, rosé, red or sparkling. Please feel free to mix and match our wines to best suit your needs.

If you would like to special order beer for your event, we can take care of placing your order and have it delivered to our clubhouse. Anything we order outside of what we carry, will need to be paid for before placing your order.

**\* ONCE BEER ORDERS ARE PAID, DELIVERED, OR PICKED UP THEY CAN'T BE RETURNED AND NO REFUND CAN BE ISSUED!**

\*Unfortunately, this not our rule. The same applies to our business when we purchase and order beer from our distributors.

Kegs in various sizes are also available for you to order. This is a great option for beer we do not carry, especially if a large amount of your guests prefers a certain kind. The only downfall of a keg is that you can't take it with you. We are responsible for the deposit associated with the keg so we are ultimately held responsible for the return. If you would like to purchase a keg through Sly Fox, we ask for a two week notice and a minimum of one week to allow time for delivery. All kegs are paid for upfront and in advance.

For our open bar, we ask that a deposit be paid one week before the date of your event. Our starting deposit amount will be the rate of \$10 per person attending/drinking and that will be applied to your account. Once we hit the deposit amount, it is then up to you whether we change to cash bar or add more funds to your account.

We want to establish is a hassle-free night for you and your guests, so let's get all the information to make your event a success!
